protoML / Project Legal Notice

Stand: 2026-05-02

**Project-specific legal, license and usage notes for protoML.**

## 1. Project Status

protoML is provided as a project by OpenDucks IT. Its exact license, support level and production-readiness depend on the repository, release notes and applicable project documentation.

## 2. Use and Responsibility

Users are responsible for validating protoML output, configuration, generated files and integrations before production use. Experimental features may change without notice.

## 3. No Automatic Support

Unless a separate support agreement exists, protoML is provided without guaranteed response times, maintenance commitments or operational support.

## 4. Third-party Components

protoML may use third-party open-source libraries. Their licenses and attribution obligations remain applicable.
