

Software License Terms

Software / Plugins / Integrations

Stand: 2026-05-02

Default terms for custom software, plugins and integration work unless stated otherwise.

1. Scope

These software license terms apply to custom software, scripts, plugins, integrations, configuration templates and documentation delivered by OpenDucks IT unless a separate license agreement applies.

2. Rights of Use

After full payment, the customer receives the agreed rights of use for internal business purposes. Source code, resale rights, sublicensing, public distribution or exclusive rights are granted only if expressly agreed.

3. Ownership

OpenDucks IT retains ownership of pre-existing tools, know-how, templates, libraries and generic components. Customer-specific deliverables may be used by the customer according to the agreed license scope.

4. Maintenance

Updates, maintenance, compatibility work and security patches are provided only if included in the contract, support plan or separate maintenance agreement.

5. Open Source

Open-source components remain governed by their respective licenses. Customers must comply with applicable attribution, notice, source-code or copyleft obligations where relevant.
